VIRTUE OF THE MONTH "JUSTICE"

Justice is an important virtue that helps us treat others fairly. It means always trying to do what is right and giving people what they deserve. When we are just, we respect the rights and dignity of every person, even if they are different from us. Justice helps us create a peaceful world where everyone is treated equally and with respect. For example, being just means not cheating or stealing, but instead being honest and fair in our dealings with others.

FIRST HOLY COMMUNION

On Saturday morning, St. Mary's Church was filled with excitement and joy as our Junior 3 boys and girls celebrated their First Holy Communion. Dressed so beautifully in their white, gathered with their families to receive the Eucharist for the first time.

It was a momentous occasion, marking a significant milestone in their faith journeys. We thank Mr. Gill and Mrs. De Vertueil as they had been carefully prepared, not just in knowledge of the sacrament, but in understanding the profound meaning of receiving the Body and Blood of Christ.

FORM 5 MOVIE NIGHT FUNDRAISER

Thank you to all the families that supported our Form 5 Movie Night fundraiser. A great time was had a by all.

ARBOR PRE HAVING FUN

Here is a delightful moment of our children enjoying their breaktime together at school. This picture captures the joy and camaraderie that make our school community so special.

Here are some heartwarming snapshots of our young boys assisting our little girls, demonstrating kindness and growing into respectful young men. These moments reflect the values we cherish and promote within our schools.
